Washington, DC 20231

RECEIVED
NOV 21 2002
GROUP 3600

Sir:

The Examiner's attention to the present application is greatly appreciated. In particular, the present reissue application has involved numerous rare issues that have required significant time and effort of both the Examiner and Applicant to address. As explained below, each of these issues are now believed to have been resolved, and issuance of a patent is respectfully requested.
